RE: BOC INFORMATION

Dear Greg:

As Ken Vogel will tell you, we are presently calculating the damages from BOC Gas's underpayment of royalties for both carbon dioxide and hydrocarbon gas produced by BOC in the McElmo Dome area of Montezuma County, Colorado.

Under the Freedom of Information Act, would you please fax to me the monthly production from ~~September~~ <sup>January</sup> 1998 through February of 1999, and as soon as you get March production, would you please fax me the March production as well. BOC has supplied me with production data and prices until ~~September~~ <sup>February</sup> of 1998. For some reason or other, they have not supplied me with the balance.

*No* I would like to get both the monthly volumes and the prices that they use for royalty payments, but please do not wait until you get permission to release the prices from BOC, and fax the volume to me as soon as you can.

I am talking specifically about the following leases:

COC38421 - 069  
COP58692 069  
COC18092 069

*only COC38421 had information*
